## **MATERIAL SAFETY DATA SHEET**

### TECHDRYAD MORTAR ADDITIVE

Page 1 of 2

### Issued: 01/01/2010

Not c	lassified as hazardous accord	ling to criteria of Worksafe A	ustralia
<u>Identification</u>	Product name: Other names: Manufacturer's code: UN number: D.G. class: Subsidiary risk: Hazchem code: Poisons schedule no: Package group:	TECHDRYAD MORTAR ADD Water repellent admixture RPTDADMA Not allocated Not allocated Not allocated Not allocated Not allocated Not allocated Not allocated	DITIVE
<u>Use</u>	Water resistant admixture for	cement and sand mortar for Te	ech-Dry blocks.
Physical properties	Appearance: Boiling point: Vapour pressures (20 °C): Density (20 °C): Flash point: Flammability limits (%): Solubility in water:	Pale yellow clear liquid ≥100 °C Not allocated 1.0 g/ml Not allocated Not allocated Soluble	
Other properties	Autoignition point: Vapour density (air=1): pH: Viscosity (20 °C):	Not allocated Not allocated 8-9 Not allocated	
<u>Ingredients</u>	Chemical entity Fatty acid sodium salt Non-hazardous ingredients Water	CAS number n/a n/a	Proportion <10% <10% To 100%
Hazard Health Informa	tion		
Health Effects:		of this product as a whole ha giene measures should be follo	
<u>Acute:</u> Swallowed:	Harmful if swallowed. It may c	ause discomfort if swallowed.	
Eye:	May cause eye irritation.		
Skin:	May cause skin irritation.		
Inhaled:	Inhalation over intensive vapo coughing and chest discomfor	our may cause irritation of the r t.	nose and throat and cause

Chronic: Not known.

First Aid:	
Swallowed:	If swallowed, do not induce vomiting. Give a glass of water. Never give anything by mouth to an unconscious person. Get prompt medical attention.
Eye:	Flush eyes with copious amounts of water for at least 15 minutes. Obtain medical attention.
Skin:	Remove contaminated clothing and wash skin thoroughly. Wash clothing before reuse. Seek medical advice if effects persist.
Inhaled:	Remove affected victim from exposure area to fresh air. If not breathing, give artificial respiration. If breathing is difficult, give oxygen. Seek prompt medical advice.
First Aid Facilities:	Washing facilities are strongly recommended for handling chemicals.
Advice to Doctor:	Treat symptomatically.
Precautions For Use	
Exposure Standards:	There is no exposure standard determined for this product. The blanket limit of 10mg/m <sup>3</sup> (TWA and STEL) for dusts or mists may apply. The nature of this product makes it unlikely that this level will be approached in normal use.
Engineering Controls:	Use with sufficient ventilation.
Personal Protection:	Wear chemical resistant safety glasses or goggles, gloves and protective clothing. Wear approved respiratory protection (AS1716/1715) if there is a risk of exposure to intensive vapour concentrations. Wash hands after handling.
Flammability:	Not flammable and not combustible under conditions of use.
Flammability: <u>Safe Handling Informat</u>
